

'Disciple-making and Mentoring' DVD training package

A series of 6 DVDs (or videos) which present the vision and help train potential group leaders in disciple-making and mentoring.

The 6 DVDs (or videos) provide a 6 week training series in disciple-making and mentoring. Ideal for pastors to use with potential leaders for getting started in the disciple-making area. Ian & Diane Malins present the vision of disciple-making as our primary purpose, inspire and provide you with the tools to use, include testimonies of people who have been changed through discipleship training, and show you how to get started.

Complete set of 6 DVDs (or videos): Price AU\$90.00 (plus postage)

(With an accompanying set of Seminar notes you can download free from our web page).

Each of the DVDs runs 70-80 minutes and covers the following topics:

DVD 1: 'The call to Discipleship – the urgent need of our churches'

- The crisis of today's church
- 8 signs of spiritual infancy
- Understanding the Great Commission

DVD 2: 'Turning believers into disciples – and disciples into disciple-makers'

- The 3 'C's' of intentional discipleship training
- The Four Calls of Jesus

DVD 3: 'What is a disciple? – the 6 essential marks'

- The need to nurture & disciple new believers
- The need to turn believers into disciples

DVD 4: 'Discipling and Mentoring – letting your life impact others'

- What is discipling & mentoring?
- Different types of mentoring
- Principles of discipling

DVD 5: 'How to go about discipling and mentoring'

- Begin discipling at home
- How to go about mentoring

DVD 6: 'Bringing it all together – making your life count'

- Review of previous sessions
- Questions and answers

Presenters: Ian & Diane Malins

Ian & Diane have had many years in training and equipping Christians and churches both within Australia and other countries in the area of discipleship training. Through their training sessions and hands on experience, they will motivate, equip and inspire you to start the process of intentionally 'making disciples' and will show you how to do it.
